QUARTERLY RECAP – WINTER 2025

Winter at the library was a season of fun and creativity! Families enjoyed engaging storytimes designed for infants, toddlers and school-age children. Our Swiftie Saturday was a huge hit, bringing Taylor Swift fans of all ages together for music, trivia, and crafts inspired by their favorite artist. Chair yoga resumed helping our adults start the year off healthy. Adults also enjoyed participating in several craft classes, where they learned new skills and made beautiful projects to take home.
