

Our library is still out of ADA compliance regarding many issues. Donna Kenish spoke with David Schreiber this ongoing problem. There is an ADA hotline we can call, as well as contact our State Representative Dave Delloso. 2010 ADA Standards Title 2.

It is discovered that we can apply for 501C-3 status. David Schreiber said we can do it and the Board of Commissioners are in agreement. An e-mail was sent out but none was sent to Linda. Pat Barr should be included in these communications to and from Dave and Linda. Dave Bradley will address this matter and provide guidance.

There will be a Flea Market at Gov. Printz Park on June 8th. We will have a bike raffle table there.

We may be losing three of our outdated public computers.

Linda learned at a DELCO Meeting that video-taping in the libraries can take place under the protection of the First Amendment. Also, we are to advertise our Board of Trustee Meetings in the newspaper, and this will be at our expense.

TREASURER'S REPORT:

No Report available at this time. Dave to work with Pattie on organizing the process and training regarding keeping track of our finances. This will give John Anderson a way of knowing what monies are in the bank before he writes checks.

Motion made, seconded, and passed to pay bills.

NEW BUSINESS:

Motion made by John Anderson to amend by-laws to have a minimum of seven (7) members on the Library Board of Trustees. Seconded by Dave Bradley. Passed unanimously.

Angela DeMarco adjourned the meeting at 8:05 pm.

Respectfully Submitted,

Linn Anderson, Secretary
