THIS SUMMER AT TMPL WE'RE Unearthing a Story

This year's summer reading theme "Unearth a Story" invites us to discover and explore!

Join us all summer long for dinosaur and excavation/history themed fun for all ages.

Each of the libraries in the Delaware County System has chosen a different featured dinosaur. Visit each library as part of the Journey Across Delco program to learn about each dinosaur, earn a trading card, and complete your game sheet.
Tinicum's dinosaur is the Compsognathus!

Our planned summer programming is described in this newsletter, but we encourage you to keep an eye on our events calendar as well as our social media to stay up to date.
